c. On 27 May Mr. [REDACTED], Chief/Industrial Registry/OCR, called me to ask if it would be possible for him to take three of his senior supervisors, [REDACTED], and [REDACTED] to [REDACTED] to observe the program of special [REDACTED] training being presented to members of his Targets Analysis Staff. We settled upon 8 June as a good day with several interesting activities scheduled in the course. We have had excellent results from our assistance of Industrial Registry with [REDACTED] an enthusiastic supporter of our programs, including making available to us highly sensitive and very timely information of great value to several of our practical exercises.

make him an excellent replacement for the clandestine field activities staff. As you know, I also talked at length with [REDACTED] and it is perfectly obvious to me that his experiences in the FBI, WH, FE, and the Office of Security fit him peculiarly well for an assignment with Covert Training.
